Camp Mennoscah Letters

Mateo Roth - at camp June 9-15

Dear CDT,

I always have enjoyed Camp Mennoscah. There is always so much to do and I like to play GAGA ball and late night swims. There is lots on nature to see which is very interesting because of all of the minnows and turtles. The activities are my personal favorite because you can swim in the pool and make crafts. My favorite game that usually I get to play is mafia. I also love the silverwareless meal and various other odd traditions in Camp Mennoscah. There is always something interesting going on and always something to do. Thank you for your consideration,
Mateo
